

ALL MILK 20-20 MILK REPLACER

ANC ALL MILK 20-20

ALL MILK 20-20 milk replacer offers the ultimate in quality and high energy. All of the protein in this product comes from milk sources. Calves have easier digestion with milk protein sources compared to other protein sources. The benefits gained from milk protein sources depend on quality processing. Milk proteins must not be over-heated or their utilization levels drop.

Product Benefits

- Improved formula, now contains industry leading products: Omni-Boss, CB, NeoTech4, and MOS to improve health and rates of gain
- The quality control in place during manufacturing ensures high utilization by young calves.
- Highly digestible ingredients to supply all of the nutritional needs of calves during the critical, early stages of life
- Small fat particles for better utilization by young calves
- Medicated to aid in prevention of coccidiosis
- Fortified with an ideal balance of vitamins and important trace minerals
- Instantized for fast, easy mixing. Stays in solution
- Formulated with a high level of Vitamin E
- Heat-sealed, poly-lined bags for moisture protection
